

BLANVILLE

# DOMAINE DES 8 LUNES - GIBBEUSE

100% Carignan

Blanville is a family wine estate located in Saint-Pargoire, next to Montpellier (Hérault, 34). Founded in 1997 by Bernard and Béatrice Nivollet, they hand over to their daughters and the Blanville's team. The «Domaine des 8 Lunes» is the result of the new project from the 2nd generation: Give a second life to the «Forgotten varieties» which are old languedoc grape varieties, and share them. The vineyard is cultivated according to the principle of the biodynamie culture. It also means respecting the lunar calendar which is divided into 8 moon phases, which inspired the name of the domain.

«Round and gentle and sweet; like sucking on a raspberry lolly. The tannins are almost invisible. The kind of wine you want to chill on a hot day and serve with a barbecue.»
